

Stanislaus County Sheriff's Department

ADAM CHRISTIANSON - SHERIFF / CORONER

To: **All Approved Visitors**

From: Lieutenant Traverso

Division: Adult Detention Transition Unit

Subject: **Paid Video Visitation – Reinstated**

Date: May 9, 2018

The Stanislaus County Sheriff's Department will reinstate paid video visitation service as of Thursday May 17, 2018. All other functions associated with visitation: electronic scheduling, video visitation, and visiting from home or the Sheriff's Detention Visitation Center will remain unchanged.

Our visitation vendor, Global-Tel Link Corporation (GTL), has made the necessary upgrades to their system. This service can now be offered in a manner consistent with Stanislaus County Sheriff's Department standards.

Our standards are in place to ensure visitors have a trouble-free experience while visiting. The opportunity to complete regular and paid visitation without experiencing technical issues was our top priority in this process.

Please contact GTL if you experience problems with video visitation services. Their contact information is listed below:
